

# Pre-College Program

Since 1990, UWRF has provided quality academic programs which seek to encourage multicultural and economically disadvantaged students to pursue a college education. Our program participants enjoy the benefits of exciting learning experiences in a safe and nurturing environment.

## Our Mission

UW-River Falls Pre-College Program strives to:

- Inform students about college and the opportunities that a college education provides.
- Motivate learning through the development of academic skills.
- Assist students in building positive self-concepts.
- Promote a greater appreciation, awareness, and understanding of a diverse community.

# UW River Falls Pre-College Program

**Spring Break 2009:  
Alternative Spring Break  
(ASB)**

**UWRF Presents:  
Making Excellence a Habit  
Conference**

**April 13-16, 2009  
8th-11th graders**

## Alternative Spring Break: UWRF Presents "Making Excellence a Habit" Conference 8th-11th graders

The ASB Program is an extension of the **EXPLORE** program and is designed to encourage students to utilize Spring Break in an alternative, productive way. The major objective of the program is to expose students to **UWRF** and assist in them in decision-making skills necessary to make a "right-fit" choice for college. Students will experience college in "real time", allowing them to witness campus programming in action. Additionally, the program is designed to achieve the following objectives:

- Reinforce critical thinking and decision making skills through reflective writing.
- Reinforce the importance of math and science as it relates to college-readiness and career options.
- Introduce students to academically stimulating activities that are not readily available within their current environment.
- Promote multicultural awareness, understanding, and communication among the participating, varied-experienced groups.

**How to apply:** Complete an application and return it to the program address listed at the end of the brochure. Applications may be obtained from your school counselor or by contacting the UW-River Falls Pre-College Programs. All applications must be received by **February 23, 2009**. Space is limited, so **apply early!**

### Use your break to take a tour!

Spend your days learning more about UWRF and your evenings in seminars that equip you with strategies to "Make excellence a habit" Also, participate in activities such as:

**Swimming**

**Bowling**

**Pizza and Movies**

And we wouldn't dare bring you this close to the Twin Cities without allowing you to experience the excitement of

**THE MALL OF AMERICA**

### Scholarships

Full scholarship awards are available to qualified applicants through the Wisconsin Department of Public Instruction. These scholarships cover all program expenses except a **\$10 registration fee, \$20 bus deposit, and spending money**. To apply, complete the DPI scholarship application and return it with the program application.
