Exemplary Performance Awards

1. Awards will go to the faculty member's salary line.
2. 2005-06 winners will have a permanent salary adjustment in the amount of their award.
3. Awards shall be in the amount of \$3,000.
4. Deans will distribute these awards as merit, paralleling the process currently used for distributing "regular dean's merit" and following those existing guidelines within each college.
5. Both tenured and tenure track faculty will be eligible for the award.
6. Funds will be proportionally allocated to colleges based on FTE faculty.
7. Funds will not be carried over to a subsequent year unless there is not enough money to make a \$3,000 award. In that case, the amount under \$3,000 will be carried over to the next year and put into the Meritorious Faculty Award pool.
8. Preference will be given for new monies to those who have not previously received an award.
