RE: UW-RF Faculty Senate Resolution 8

At the March 21, 2007 meeting of the University of Wisconsin-River Falls Faculty Senate a motion to adopt the attached resolution was made, seconded, and passed. This constitutes notification to the Chancellor of the resolution passed by the Faculty Senate.

Resolution from the Faculty Senate's Executive Committee supporting the Information and Instructional Technology Committee's request to provide reassignment time for the proposed faculty chair of the Information and Instructional Technology Council.

To ensure the success of this proposed IT committee restructuring, the Instructional Learning and Technology Committee strongly recommends that the Chair of the **Information & Instructional Technology Council (IITC)** be assigned one-quarter reassignment time to assume the associated work load. As coordinator of four newly formed committees, the IITC Chair will have an extensive time commitment. In addition, the IITC Chair will be responsible for regular communication with the Faculty Senate, the Student Senate, CIO, and the Administrative Units.
