## **Attachment to Transmittal for Undergraduate Program Part (H)**

### **H. Attach Request Narrative**

To clarify and expand the Finance Option's course requirements, the Accounting and Finance department has unanimously approved the following changes be made to the finance electives and support electives:

1. Remove Finc 210 (personal finance) from the FINC support electives. This course has recently been approved as a general education course and it is not at 300-level.
2. Move Econ 342 from finance electives to the support electives. This area should only include 6-credit of finance courses.
3. Expand the finance support electives to include MIS courses of 300-level or higher and Econ (302, 305, and 342).

Chair, Accounting & Finance Dept.

Reza:

This is the response to your request for a letter from my department in accordance with Item F in the course proposal. Specifically, I am writing to inform you that the proposed change to the finance option will have little if any impact on this department.

Please let me know if you have any questions, and good luck with the change.

Sincerely,

Brian Huffman  
Chair, Management & Marketing Dept.

Dear Reza: The Department of Economics considered your latest proposal regarding changes to the curriculum in the Finance option. I want you to know that the vote to support this proposal was not unanimous and some faculty who disagree with the proposed changes, agreed to support the proposal in the spirit of cooperation. Please let me know if you have any questions. Sincerely, Hamid.
