RE: UW-RF Faculty Senate Motion 2007/2008/14

At the November 28, 2007 meeting of Wisconsin-River Falls Faculty senate, motion 2007-2008/14 was passed. This motion is forwarded for your action

Proposed Resolution on Equity and Affirmative Action

Whereas, the University of Wisconsin-River Falls is one of two comprehensive university in the University of Wisconsin System that devotes less than one FTE to Equity and Affirmative Action,

and whereas the work of Equity and affirmative Action has in recent years been frequently shifted from one person to another, and has lacked continuity,

and whereas the role of compliance with the Americans with Disabilities Act is also essential to the mission, core values, and strategic goals of the University of Wisconsin-River Falls,

Therefore the University Diversity Committee recommends that the university administration move promptly address these concerns.
