Steve and David,

The P ED courses (172, 261, 262, 263, and 372) that needed to be approved for the Health and Human Performance Option 1 major were all approved by the UCC this afternoon.

The School Psychology courses that need to be approved for the changes to School Psych. Training Program are on the UCC agenda for next Friday, Dec. 7. I will let you know when those courses have been approved.

David -
P ED program changes were conditional on
these courses being approved. All OK at this point!
