RE: UW-RF Faculty Senate Motion 2007/2008/19

At the October 10, 2007 meeting of Wisconsin-River Falls Faculty senate, motion 2007-2008/19 was passed. This motion is forwarded for your action

Conversion of Incompletes Prior to 2002-2003:

For courses in which incompletes were received prior to 2002-2003, a designation of 'N' will replace the 'I'. 'N' designations do not impact GPA calculations, nor do they grant credit for the course. A student may petition the Dean of the appropriate college to change the 'N' back to an 'I' in the semester that the student is readmitted. The policy will be effective immediately when signed by the Chancellor. The chair of the Academic Standards committee will inform instructors of the policy in the Falcon Daily when it becomes effective, and the chair will also send the academic Deans emails explaining the policy to allow them to inform their department chairs.
