Getting to Geology Department
University of Wisconsin-River Falls

Take Interstate 94 to just west of Hudson, Wisconsin.
Turn south on Highway 35
Drive 6 miles until the River Falls exit

Take the first River Falls exit and drive south on Main Street until the 5th lights at Cascade Ave. Turn left and take the second turning right onto campus.

Geology is on the third floor of the Agriculture-Science building. Faculty offices are in red, geology labs in pink.
